Respected Sir/Madam,

In connection to conduct of the remaining part of Higher Secondary Examination 2020 in the affected districts of West Bengal, I would like to draw your kind attention towards the followings :

Regarding the re-arrangement/alteration of venues, frequent internal meetings in the concerned districts need to be arranged with the District Magistrate, Superintendent of Police, DI of Schools, Joint Convenors, Venue Supervisors, Center-in-Charge, Center Secretary, DAC members along with other associated personnel in those districts. We also need to establish necessary infrastructures like permeating information to students, arrangement of transportation or any other (if required), a provisional support from your end is needed for smooth operation of the above mentioned works. The DI of Schools may be allowed to meet up the requisitions of examination venues in the districts on emergency basis, as follows:-

- a. Arrangement of pure drinking water in each venue.
- b. Bleaching and sanitization of the school building including toilets and other surrounding areas atleast 7 days ahead of the commencement of the examination in each venue.
- c. Extra chairs, tables, benches, electrical works if required in any of the venues
- d. Arrangement of hand-sanitizers, mask, hand-gloves for the examination staffs in each venue
- e. First aid medicine in each venue
- f. Care givers and security staff (M/F) from police in each venue
- g. Arrangement of examination special transport through RTO in the nearby location of connecting venues to commute the students in exact location.

We look forward to your support and hope you will be kind enough to consider the above.

Thanking you,

Yours sincerely,

*Mahua Das*
